## IMPORTANT DARSHAN INFORMATION

1. **General & Special Darshan**

   Every temple has different entry rules, darshan timings and available facilities. Our team will guide Yatris about the most suitable and officially available darshan options.

2. **Online Darshan & Entry Ticket Booking**

   Some temples open online darshan ticket bookings only a certain number of days before the darshan date. Our booking team will guide and assist Yatris with the official online booking process and inform them when bookings open. Ticket confirmation is subject to availability and temple rules.

3. **VIP & Priority Darshan**

   We do not guarantee VIP Darshan, priority entry or quick darshan at any temple. Special entry facilities depend entirely on the concerned temple authority and actual availability.

7. **Temple Rules & Restrictions**

   Every Yatri must follow the temple’s dress code, entry timings, ID verification, security checks and other instructions. These rules may change without prior notice.

8. **Personal Choice & Group Coordination**

   Yatris may select from the available permitted darshan options according to their personal choice. Individual darshan arrangements must not affect the scheduled group reporting and departure timings.
